

Viking Hand Dryer

- Modern design – bold silver finish for a contemporary washroom look.
- Fast dry time – dries hands in 7–9 seconds with high-velocity airflow.
- Powerful performance – 1300W operation for strong, consistent drying.
- Energy-conscious – efficient power usage without sacrificing performance.
- Low noise level – just 72dB at 2 metres, suitable for noise-sensitive areas.
- Built for high-traffic spaces – ideal for shopping centres, restaurants, gyms, offices, and public buildings.
- Five-year warranty – includes free parts and labour in the first year.

Dimensions

380 x 230 x 140 mm
