

Armadillo Data Sheet

The Armadillo Hand Dryer is so tough it's almost bullet proof! The sturdy stainless steel cover makes the Armadillo Hand Dryer the most vandal proof hand dryer on the market today, yet it has a unique design that offers a sense of style and quality. Whether installed in a restaurant or bar, a school, service station or hospital, the Armadillo really does provide function and form combined with superb craftsmanship.

The Armadillo hand dryer, is the ultimate ultra-fast wall hand drying unit on the market today.

Recent major advances in hand dryer technology have placed more emphasis on high velocity air flow, minimising hand drying times and massively lowering energy consumption. This combination of benefits reduces the running cost significantly and in most cases will have paid for itself within a year. It's incredible!

The NEW Armadillo hand dryer is an ultra-fast hand dryer featuring a small wall 'footprint, contemporary design and offering exceptional ultra-fast hand drying performances whilst saving energy.

- Fast hand drying: 10 - 12 seconds
- Vandal resistant: Extra thick 1.5mm Stainless Steel Cover
