

Beaver ECO. Slimline Hand Dryer with HEPA filter

The Beaver ECO provides impressive, high-speed drying power while keeping the washroom landscape uncluttered thanks to its ultra slimline design.

At 102mm in depth, the Beaver ECO dryer is one of the world's slimmest hand dryers, making it perfect for washrooms where floor space is scarce.

The integrated heat switch, allows for both warm and cool drying use, making the Beaver ECO an ideal unit for the summer months.

The integrated temperature controls also bring the Beaver's electricity consumption down from 1.5kW (hot air) to about 0.5kW (cool air), saving two thirds of the energy but retaining the same impressive drying performance.

- Ultra-fast hand drying - 8 - 10 seconds
- Powerful airflow - 100 meters/second (223 miles per hour)
- Low energy use
- HEPA filter

Operating Power

220-240 V, 50/60 Hz, 1.0 kW

Heater Element

400 W

Timing Protection

60 seconds auto shut off

Warranty

5 Years (1st Year Parts + Labour)

Warm Air Speed Output

100 m/S

Heater Thermal Protection

N/A

IP Rating

IP23

Noise Level

74 dB at 1 Meter

Air Output Temperature

45°C – at room temperature

Drying Time

8 - 10 Seconds

Isolation

Class 1

Air Filter

HEPA filter

Motor Type

600 W, Brushed Type, 32000 RPM

Circuit Operation

Infrared Automatic, self adjusting

Net Weight

3.5kg

Colour Options

Polished Stainless Steel, Black and White

Motor Overload protection

Motor assembly designed with over current fuse, replaceable.

Sensor Range

5 - 15cm

Unit Size

321 mm W x 286 mm H x 102 mm D
