

# The Crocodillo T2. Our most practical blade.

No drips. No mess. No fuss. The Crocodillo T2 is the smallest ever blade dryer to feature an inbuilt water drainage system and removable collection tray, helping to keep your washroom puddle-free. A popular choice for disabled bathroom facilities, the Crocodillo T2's water collection tray benefits wheelchair users, who are more likely to be positioned beneath the dryer nozzle. This

considerate model dries hands in seconds and prevents liquid from flying onto the user or the washroom floor. If you've been searching for a clean, quiet and practical blade hand dryer, search no more.
