

CrocodilloT2 Data Sheet

The Crocodillo T2 hand dryer, is the ultimate ultra-fast executive hand drying system. Working on the same principle as the latest blade style hand dryers, the Crocodillo T2 literally scrapes the water off of your hands with an ultra-fast blade of air. Ideal for schools, executive washrooms, or up market cubicles.

Recent major advances in hand dryer technology have given much more emphasis on high velocity air flow, minimising hand drying times and massively lowering energy consumption. This combination of benefits reduces the running costs by so much that in most normal circumstances the units will pay for themselves in under 1 year - now that's incredible!

The Crocodillo T2 hand dryer is an ultra-fast hand dryer featuring a small wall 'footprint, contemporary design and offering exceptional ultra-fast hand drying performances whilst saving energy.

- Smallest water collecting hand dryer in the world
- Low noise: Great for schools and use with small children
- Switchable heater and power settings
- Washable air filter
- Small wall footprint

Technical Specification

Operating Power	220-240 Vac, 50/60 Hz, 1.4 KW
Warm Air Speed Output	120 m/S
Heater Element	850W
Drying Time	Approx 12 seconds
Timing Protection	60 seconds auto shut off
Drip proof	IPX1
Isolation	CLASS 1
Net Weight	4.5 kg [9.0 lbs]
Unit Size	250 mm W x 450 mm H x 165 mm D
Warranty	2 Years (1st Year Parts + Labour)
Noise Level (at 1m)	72.7 Decibels
