

The Fleurillo. Fragrance Hand Dryer.

Join the washroom fragrance revolution with Fleurillo. It's one thing when a hand dryer dries hands in under 10 seconds from a low energy usage motor, it's another to combine with an advanced sensual fragrance dispenser. The integrated fragrance dispenser emits beautiful scents using a highly convenient and incredibly low energy dispensing unit located at the top of the hand dryer. Your

fragrance of choice, whether liquid or solid form, is easily replenished within the top compartment and a hex wrench catch keeps the fragrance compartment secure.
