

Gorillo Ultra Data Sheet

The Gorillo Ultra Hand Dryer costs as little as £15.00 per year to run whilst a standard hand dryer costs over £70.00

One of the Quietest Hand Dryers in its class at only 73 - 77 dB

Unlike many other hand dryers, the Gorillo Ultra collects any waste water ready to be disposed of later. No water on the floor, no slip hazard and no mess. Save time, stay healthy and stay clean.

The Gorillo Ultra is the most hygienic, fast, efficient and stylish way to dry hands in any washroom and in addition to its advanced hand drying credentials, it also makes use of super micropore HEPA filter to clean all the air it uses. To prevent the HEPA filter from becoming a health hazard in itself, the Gorillo Ultra also has an array of UVC high penetration diodes constantly operating to rid the filter of any bacteria, virus or mould particles. No longer is the HEPA filter in the washroom a cause of more smells and bacteria. Available in Silver or White.

Technical Specification

Operating Power	220-240 Vac, 50/60 Hz, 1.65 KW
Warm Air Speed Output	95 m/s (342km/h at apertures)
Air Output Temperature	30 - 40°C – Ambient Temp. 68°F (20°C)
Motor Type	750W, Brushless;
Motor Overload protection	Auto Resetting Thermostat turns unit off at 105°C {221°F}
Switchable Heater Element	900W
Heater Thermal Protection	Auto Resetting Thermostat turns unit off at 85°C {185°F}; Thermal fuse cut unit off at 142°C {288°F}
Drying Time	10-12 seconds
Circuit Operation	Infrared Automatic, self-adjusting
Timing Protection	30 seconds auto shut off
Drip proof	IPX4
Isolation	CLASS 1
Net Weight	9.5 kg
Unit Size	300 mm W x 700 mm H x 215 mm D
Warranty	3 Years (1st Year Parts + Labour)
Noise Level (at 1m)	73 - 77dB(A) at 1 Meter
