

Kangarillo 2 Stainless Steel Hand Dryer

The Stainless Steel Kangarillo 2 Hand Dryer is a worthy successor to the market leading original Kangarillo Hand Dryer.

With an upgraded motor and heating element, the Kangarillo 2 is the 1st ECO dryer on the market that actually senses the ambient air temperature and adjusts the air heaters power accordingly. This provides a massive saving in electricity costs without you even being aware or having to do anything yourself. This combination of benefits reduces the running costs by so much that in most normal circumstances the units will pay for themselves in under 1 year - now that's incredible!

The NEW Kangarillo 2 hand dryer cover is machined from top grade 304 Stainless Steel and dries hands in an amazing 8-12 seconds. An ultra-fast hand dryer featuring a small wall 'footprint', contemporary design and offering exceptional hand drying performances whilst saving energy.

- Ultra-fast hand drying - 8 - 10 seconds
- powerful airflow - 110 meters/second (245 miles per hour)
- Low energy use
- Automatic operation
- Polished 304 stainless steel

Technical Specification

Operating Power	220-240 V, 50/60 Hz, 0.55 to 1.4 KW
Warm Air Speed Output	110 m/S
Air Output Temperature	40°C – Where Ambient Temp. below 24° - Automatically adjusted
Motor Type	600W, Brush Type, Dual Ball Bearings
Motor Overload protection	Motor assembly designed with over current fuse, replaceable.
Heater Element	900 W
Heater Thermal Protection	Auto Resetting Thermostat turns unit off at 85°C {185°F}; Thermal fuse cut unit off at 142°C {288F}
Drying Time	Less than 8 - 12s
Circuit Operation	Infrared Automatic, self-adjusting
Sensor Range	51 mm to 330 mm, adjustable; Standard 150mm +20 mm
Timing Protection	60 seconds auto shut off
Drip proof	IPX1
Isolation	CLASS 1
Net Weight	4.3 kg
Unit Size	295 mm W x 325mm H x 172 mm D
Warranty	2 Years (1st Year Parts + Labour)
Noise Level (at 1m)	79 Decibel
